31st May - 4th June

### May Day

Monday 3rd May

### Inset Day

Monday 7th June

### Summer Break

19th July - 31st August

We have had an excellent week in school, the children are doing brilliantly well. Well done to them all. On Monday you will receive links to videos from your child's teacher providing your 'information evening' we hope you find them informative. Please watch them as there is some new information being shared about drop ins, homework and our curriculum.

Thank you to everyone who has responded to our survey regarding virtual access. This information will be used to develop our lockdown learning plan in the eventuality of a bubble closure or a local lockdown.

If you have not yet read the letter sent out via email from your classteacher on Tuesday I urge you to do so and respond as requested. This way we can ensure you understand our plans and help us to establish an infra structure as a precautionary measure. If you have not received an email from your child's classteacher please let us know immediately.

I would be really grateful if you could let us know if anyone in your household begins to display any COVID symptoms or has a test. This does have implications for your child in school so please keep us informed even if your child seems perfectly fine.

What is the concern	What to do	When to return to school
My child has symptoms of coronavirus <input type="checkbox"/> new continuous cough <input type="checkbox"/> fever/high temperature of 37.8 or above <input type="checkbox"/> loss of, or change in, sense of smell or taste	Do not come into school Contact school each day with an update You must arrange a test. Inform school about the test result	If the test result comes back negative For a positive test, see below.
My child has a positive corona-virus test	Do not come to school Inform school each day Self-isolate for a minimum of 10 days	After 10 days if they feel better. If pupils have loss of taste or smell, they can return after 10 days if they feel well enough
Someone in my household has symptoms of coronavirus	Do not come into school. The person who is unwell must get a test. Inform school of the result and keep in contact with school each day	Only return to school if the test comes back negative. For a positive test, see below.
Someone in my household has had a positive coronavirus test	Do not come into school. Self-isolate for 14 days Contact school each day	After 14 days
NHS track and trace identify my child as being in contact with someone with coronavirus	Do not come into school Self-isolate for 14 days Contact school each day	After 14 days
My child has travelled abroad and has been told to quarantine	Do not come into school Contact school daily Self-isolate for 14 days	After 14 days

We start week 1 of the school dinner menu next week.

Do you follow us on twitter? We share lots of information via tweets!!

Please remember to return your contact & medical forms back to school as soon as possible. It is vital that the information we hold is up to date. Thank you.

Our before and after school club is now fully open.

Please remember we need at least 1 weeks notice if you wish your child to attend so we can arrange our staffing and resources
